The Partners in Dance performance program has been saved, thanks to new dance instructor, Megan Stuczynski. After former dance instructor, Shelly Barnard, left the area to pursue graduate school, the program was in jeopardy. However, EHCA is proud to welcome Megan! With funding by ArtsErie, Partners in Dance has been an annual dance performance given by dancers in EHCA's adult day program, MOVE. While they performed in December after what EHCA thought was to be a shortened program, with the addition of the new instructor, EHCA is proud to announce a spring performance! **Join us at St. Benedict Community Center on June 10, at 1 p.m.** Share your lunch hour with us, and be entertained as the dancers perform in a Hawaiian themed show!
