Help Debbie and her friends experience trips, fun events, and special outings

We believe that a rich, fulfilled life includes special outings, vacations, or other activities that help our residents explore the world in which they live. However, our regular operating

budget doesn't allow for these type of expenses. In order to provide opportunities to our residents and program participants, we opened a special fund for recreation and leisure costs.

Because our funds are tighter than ever, it's vital that we raise money specifically for these activities—or we may have to cut some of these events out of our schedule.

You have a chance to help!

EHCA is one of 25 organizations participating in the **Highmark Walk for a Healthy Community**, and we are asking our supporters to join us at the Presque Isle event on Saturday, June 11. By fundraising and walking for EHCA this summer, you can directly impact which vacations and activities our residents and program participants can partake in this year.

Debbie, shown above, is walking on June 11, and she invites you to join her!

Thank you for making Spring Swing a success

While we are still calculating the official amount raised this year, the **10th Annual Spring Swing** was another successful fundraising event, thanks to all our sponsors, donors, volunteers, and guest attendees. Over 250 guests bid on fantastic auction packages, savored a delicious meal, and danced the evening away!
